Fire Chief's Report - (Chief Renzi)

Radio call numbers assigned. Recent changes to volunteer line officers: Tom Clevenger and Jim Westberg are now Lieutenants and Kieth Hanson is a Captain. Roster was updated. Chief and Clevenger met with ICRMP to go over policies and benefits ICRMP provides. Based off the weather, leaving fire boat in the water for another week before pulling it out for the winter. North of the Narrows FD invited EPLFD to join in on upcoming Saturday training they are having. Chief & Lieutenant Clevenger responded to a search and rescue call on the water. Looking for a chainsaw. Chief recently emailed the commissioners an air trailer he found on garagesales.com and located in Indiana and is seeking authority up to \$8,000 to bid with. \$5,100 current bid and ends Oct 24th. Everything on the trailer could be taken off and used in the future station. There is nowhere close that refills high flow SCBAs which is what the district has. Chief has been taking them to Deer Park to refill. Only downside would be a storage area. Can equipment be removed off the trailer and stored? Additional questions Chief will find out answers to. *There was a call happening in another district during this meeting.* Chief went over the importance of listening to law enforcement during a call and if they instruct to stay away because of safety reasons, stay away.
